Dear Friends and Members;

It is very difficult to believe that 17 years have come and gone since God called my family and I here to Mountain Lake Independent Baptist Church. Every year that goes by, Kathy and I are more grateful for the privilege of pastoring such a wonderful church and for the opportunity to live in such a beautiful part of the country.

Sunday, Sept. 26, we have designated "**FRIENDS AND FAMILY**" day and **we're asking all our church folks to do everything you can to bring with you a at least one Friend or Family member for this special day.**

Dr. Byron Foxx is without a doubt, the "happiest" evangelist we have here at MLIBC, and will be our speaker throughout the day. Dr. Foxx is a wonderful musician and singer. He will also be bringing along music cds available for purchase.

Four (4) free tickets to ride the Western Maryland Scenic Railroad will be given to the person/family bringing the most friends and/or family members (that do not attend our church), three (3) train ride tickets given to the 2nd most and for 3rd most, dinner for two at the Cornish Manor here in Oakland. Various other gifts will be given throughout this special day, so be sure to be in the services all day and bring as many friends and family members as you can.

Please help make this a special day for our church. God has been so good to us and we rejoice in His continual blessings. Call me at 301-334-3234 if you have any questions or if there is ever anything I can do for you.

Sincerely, your friend,

Dennis Leatherman

Pastor
