ATTACK ON PEARL HARBOR

By Evangelist Dan Manka

Friday, December 7th is the 71st anniversary of the treacherous sneak attack on Pearl Harbor. Amazingly, one can still find men today who were there to witness that attack. A few months ago I interviewed a former soldier, name Francis, who had just arrived at Scofield Barracks some miles away from Pearl. He and his comrades could not only see the Japanese planes flying over Scofield Airfield, but they could look off in the distance and see the planes that were attacking our battleship row in Pearl Harbor. Francis told me that there were about 200 soldiers standing in line with him for breakfast when the planes came in to bomb and strafe their airfield. He said, "We just stood there and gaped." They did not have sense enough to run for cover. You know how it is when there is a line-up - nobody is willing to lose their place in line. They all wanted to get their pancakes! Even though they could see the markings on the planes, Francis and his buddies did not realize at first that the planes really were Japanese.

How foolish it seems now to think that they did not know they were being attacked. How odd that all they could think about was getting to the door before some of the other men so they would get their chow first.

Sometimes we, too, are foolish enough to not realize the danger that has come upon us. Sometimes we foolishly hang on to earthly things that really do not matter in the light of the big eternal things of the future. II Peter tells us, "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour." Unfortunately we usually do not realize that Satan desires to attack us. He is a real, unseen enemy who is usually overlooked and ignored. Many times we are so busy about the earthly things around us and we fail to remember that we are in a spiritual battle.
